Dear Friends and Colleagues,

At Probus Project Management Inc, we value the opportunity to serve our community and believe it is important to give back. Probus Project Management Inc is fundraising for École/École Grandin, the Oliver neighbourhood primary school where several of our projects will have the long-term opportunity to benefit from the investments to educational infrastructure. We want to do our part to help the school improve their kitchen facilities in order to nurture successful, ethical global citizens and to encourage excellence and through the study of languages.

We are contacting you to request your support for this worthy cause by making a financial donation to foster enhanced learning opportunities for students. Schools are the centres of their community. Your financial contribution to this important cause is greatly appreciated and we assure you that your donation, no matter the amount, will help make a tremendous impact to École/École Grandin.

Thank you for standing with Probus Project Management Inc as we support our local school and community in this very significant initiative.

Sincerely,

Maurizio Capano
Principal
